

Workshop software checklist

16 things good workshop software must do for you. Tick what yours does.

IS IT EASY?

- ☐ 1 Works on any phone. Nothing to install.
- ☐ 2 Your whole team can use it. No fee per user.
- ☐ 3 Your team learns it in one morning.
- ☐ 4 You can talk your notes. It writes them up.

DOES IT HELP YOUR CUSTOMERS?

- ☐ 5 Customers book online by themselves.
- ☐ 6 Quotes go to the customer by text.
- ☐ 7 Customers approve a quote with one tap.
- ☐ 8 Every car keeps its full service history.

DOES IT LOOK AFTER YOUR MONEY?

- ☐ 9 Card payments go straight to your bank.
- ☐ 10 It records cash, card and EFTPOS.
- ☐ 11 It shows GST on every price.
- ☐ 12 It works with Xero, MYOB or QuickBooks.

IS IT SAFE TO SWITCH?

- ☐ 13 No lock-in contract. No exit fees.
- ☐ 14 It runs in the cloud. No server in your office.
- ☐ 15 They move your old records in for you.
- ☐ 16 A real person answers when you ask.

Your score: _____ / 16

Under 12? Your software is costing you time and money every day.

Meckly does all 16. Try it free for 1 month.
